Praise for Progressive.

I am extremely satisfied with my Progressive claims experience. The claim was handled quickly and my bike was repaired fast. My Progressive claims representative was extremely helpful...I was back on my bike in no time.

— ALLEN F., AVA, ILLINOIS

I am absolutely pleased with the level of customer service and attention to detail that was given to my claim. From my first contact with Progressive to report the claim, to the continuous follow-up calls from my claims representative, I really felt Progressive was genuinely interested in helping me and restoring my bike to its previous condition.
