Praise for Progressive

Extreme winds turned my boat upside down, and sent it two-and-a-half miles down the lake. It was totally destroyed. But my Progressive replacement coverage allowed me to get a brand new boat without any trouble. They did an outstanding job. I am very pleased.

— RICHARD A., BURNSVILLE, MN

When our boat was stolen and later recovered, it had been gutted—electronics, steering, and motor were gone. From the moment I made the claim, Progressive took over. They made the process so easy. Best of all, we got a brand new boat right away.

— HELEN H., BOCA RATON, FL
